

Toy Library Update

March 2017

Hi everyone

I hope the year has started well for all of you. Just a few news items and some reminders for you:

- ❖ We are shut on Easter Saturday - 15 April. Don't worry if your toys are due that day. You can bring them back earlier, or if you bring them back by Saturday 22 April there will not be a fine.
- ❖ If you haven't already – please have a look at the Entertainment Book details or pick up a flyer in the library. There are lots of fantastic coupons to use with your children, or for a grownup outing! If you buy one from us we get some money towards getting great new toys for the library. www.entertainmentbook.co.nz
- ❖ Please don't draw or write on the laminates. If you want to write notes for me please write them on a piece of paper – thank you
- ❖ Please remember to let me know when you bring toys back. We have the current system so you don't have to wait for all the toys to be counted before you leave or select new toys (which can take ages). It is an honesty system – but if you don't come and tell me they are back I won't know and you may accrue fines.
- ❖ Please remember all toys need to be returned in the condition that you received them in – this means if you play with an outdoor toy and it gets wet and muddy then it needs to be cleaned before you return it.
- ❖ We have had some bits and pieces returned in other toys that are not ours. Do you recognise any of these?

Have a great weekend

Sarah
